

HOW TO SUBMIT THREE IMAGES OF YOUR WORK FOR THE JURY PROCESS

- Only digital entries of art work will be considered. Please crop images so that only the artwork is shown. For table art, please make the focus of the image be on the art piece.
- File Format: Files should be sent in .jpg format. Please size to 640x480 pixels (or the closest approximation).
- You can send all the files as attachments to one email. Only three (3) images will be accepted.
- Format for naming images: your last name, your first name, PAS19 a, b, or c for entry number, e.g.: *SmithJanePAS19a.jpg* ... etc.
- Attach your digital entries to an e-mail sent to Steve Palmer, sepalmer@gmail.com. Include your full name, address, phone #, e-mail address, file names, titles, medium, and sizes of each image you submit. Subject line should read: [Your last name] PAS entries.

If selected to exhibit your table art, you will need to promptly send us two short paragraphs: 1) a **BIO** written in the 3rd person about yourself and your work, and 2) a **personal statement** written in the first person about how you work or what inspires you. **This information will be used in the concert program, publicity, and on the PAS Website.**
